The Santa Clarita Valley Blues Society in cooperation with Robert Heft presents the first ever "Jam for a Cure", 9pm Wednesday, May 7<sup>th</sup> at Club Sixty 25 in Reseda. Come on out and enjoy the best of the blues as we mix it up in an evening hosted by the Blues Society's newest members.

Robert provides the most complete back line I've ever seen at a jam session. Two guitar amps w/pedal boards, (don't ask, I play spoons) bass amp, two vocal microphones, drums and a microphone's standing by for the horn players all run through his PA. Wow! This man needs a little love at the wrap!

Besides lugging half the Guitar Center to the gig Robert backs it up with blazing chops and a great group of players; Robert Heft - Guitar/Vocals, E. Zane Wood - Bass/Vocals, Kurt Fries - Keyboards/Vocals, & Rob Man - Drums.

Located half a mile north of the 101 Reseda off ramp at 6025 Reseda Blvd just south of Oxnard St; the former "Dave's Den" has been transformed inside and out by the new owners. Complete down to the dance floor & dark corners, it's a great venue for an intimate evening of the blues.

There's no cover but we will be passin' the hat for the
