

SCV Young Adult Cancer/Chronic Illness Support Group

Are you between the ages of 15 & 35 and struggling with either a chronic illness, cancer, or cancer survivorship?

Finally there is a place for you in the Santa Clarita Valley.

Connect with other survivors in your age group battling and struggling through the same problems. Whether you're 10 years out, or just getting started, you can feel welcome.

ANY CHRONIC ILLNESS, ANY CANCER. WE DON'T DISCRIMINATE.

Join us for our first meeting April 17th @ 12pm at

Hosted by PNET/Ewing's Sarcoma Cancer Survivor, Emily Hobson
