California Fundraising Club

What is the California Fundraising Club program?

The California Fundraising Club program is a recognition program offered to all Relay For Life teams meeting specific guidelines set forth by the California Division. National success factors indicate that events participating in this program ultimately raise more money in the fight against cancer.

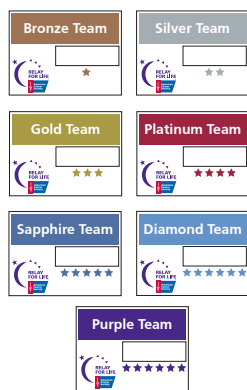

Benefits of the Fundraising Club Program

- Motivates teams to raise additional lifesaving funds
- Recognizes teams for their outstanding efforts in the fight against cancer (All teams receive recognition for achieving a FRC level)
- Teams receive public recognition thru signage to display at their campsite, and the signage indicates their Fundraising Club level

Membership Guidelines

- Maximum of 24 participants per team
- All money received by the deadline established by the event (bank day or onsite)
- All commitment fees paid in advance
- Matching gifts qualify if the funds are received before the event
