## AMERICAN CANCER SOCIETY RELAY FOR LIFE

**Celebrate.**

**Remember.**

**Fight Back.**

### Opportunity Information

**Donation** – Your donation is 100% tax-deductible. Make checks payable to “American Cancer Society”, or fill out the credit card information at the bottom of the form.

**Corporate Sponsor** – Your company will receive recognition at the event and in pre-event advertising materials. You can either donate money, or become an in-kind sponsor. Please contact us for more information.

**Program Book** - There will be 12,000 programs distributed in The Signal newspaper one week before the Event, and another 1,000 copies distributed at the Event. You can purchase ad space for either a company advertisement or a personal message in this publication.

**Cancer Survivor** – Our goal this year is to have 650 Survivors walking our Survivor lap at Relay. If you have had cancer, or are currently fighting it, please consider registering for Relay as a Survivor. You will receive a special shirt to wear at the Event, a special reception, and the support of thousands of attendees. If you register early enough, there is even a special breakfast prior to the Event to which you will be invited.

### **Relay Teams**

**Starting a Team** – You can become a Team Captain and gather a few of your friends and family to become an active participant at Relay. The goal of the teams is to raise funds and awareness for the American Cancer Society. Resources are available to help you run a successful team.

**Joining a Team** – If you would like to fundraise and be a part of the Event other than just an attendee, register as a Team Member. You can join an existing team of your choice, or we can place you. Becoming a Member is a commitment to raise \$100 for the American Cancer Society.

**Luminaria Bags** – These are paper bags that can be decorated with the name and/or photo to commemorate someone you have lost to cancer, is a survivor, or has taken care of you while you were battling the disease. They cost \$10 each, and can be brought to the Event. They will be filled with sand and a candle and placed around the track on Saturday night. During the Luminaria Ceremony, the candles will be lit, and there will be a few laps walked in silence.

**Volunteers at the Event** – An event the size of ours takes a lot of volunteers to run smoothly. We are looking for people to help with set-up, tear-down, and the day-of in various capacities. If you would like to help out, or have a group that enjoys or requires community service projects, this may be for you.

**Planning Committee** – There is a lot of planning that goes into this Event. If you would like to join a committee or become a committee chair and help with the pre-Event planning, please contact us.
