OF THE SANTA CLARITA VALLEY

Survivor Registration Form

An Invitation to Survivors

Whether you are in treatment or in remission, we invite you to come to Relay For Life to join in our Survivors' Lap Ceremony that begins each Relay For Life.

Our Inspiration

At Relay For Life we are all survivors, care givers, friends ... family. And our inspiration is your example of living life with courage and hope of a life free of cancer. Each step we take together draws us closer to a cure.
